

Bluegrass in the Schools Mini-Grant Application Form

This application may be submitted for matching fund requests of up to \$200 for educational, in-school performances of bluegrass music.

While the membership of IBMA appreciates all forms of music related to bluegrass including mountain music, old-time, early country, Cajun, blues and a host of other styles, we must give priority to funding presentations with a central focus on bluegrass music. Live ensemble demonstrations are encouraged, along with a brief overview of the history and pioneers of bluegrass music, the instruments used and their role in a band, the vocal harmony structure used in bluegrass music and bluegrass music today.

In the "brief description" area below, we're looking for 75-150 words describing the program to presented-including major points it will cover and what instruments will be demonstrated.

Name of Organization: _____ **Date:** _____

Street Address: _____ **Phone:** _____

City: _____ **State:** _____ **ZIP:** _____

Organization Contact Person: _____ **Phone:** _____
